Subject: Mountaire Millsboro ATTORNEY-CLIENT COMMUNICATION

I spoke with Devora Scott, from the DE AG's Office this morning. Devora reports that DE and Mountaire have been very active in their negotiation of the proposed Consent Decree.

Deliberative Process / Ex. 5 **Attorney Client / Ex. 5**

Attorney Client / Ex. 5

Devora will be out of the office until 4/16, so I will not be able to get a progress report until after her return, which I will do.

Also please note the story in today's clippings, that Mountaire has received their new land application permit from DE.
